SELECTMEN'S REPORT

The Board of Selectmen had an extremely busy year. The town meeting in March was followed by a special town meeting in May with the express intent of correcting the hazardous condition on the Proctor Bridge. The town voted to take no action at this time. However, it took action on other articles, one of which was to elect members of the planning board in 1980, another to place a moratorium on all subdivisions of more than two lots.

A second special town meeting was held in November with the express intention of revoking the consent resolution to authorize New Hampshire Housing Commission to sponsor a Section 8 Elderly Housing Project.

The year was a difficult one with the selectmen trying to follow the directives of the voters without involving the town in lengthy and expensive legal entanglements, while upholding the oath of office which requires them to "faithfully and impartially discharge and perform all the duties according to the rules and regulations of the constitution and laws of the State of New Hampshire."

We issued building and driveway permits and made appointments to fill vacancies on several committees. We ordered a new fire truck, purchased a sidewalk tractor, and bought a pickup truck for the sewer department.

We look back with gratitude to the individuals and committees who have worked tirelessly and without remuneration to solve problems and plan for the future. We thank them for their time and efforts. We look forward to a smooth transition into the new decade, involving an increasing number of townspeople in the growth and planning of our community.

Sincerely yours,

Norman C. Parmenter

David P. Currier

Elizabeth F. Gilbert

Board of Selectmen

HAPPENINGS AND FUTURE PLANS

PAST

Hired a dog catcher and contracted with a vet for dog-pound service.

Joined with college personnel and other townspeople to form a

Town & Gown committee for better working relationships.

Completed sewer program with all required hookups in order.

Upgraded existing sidewalks.

Opened recycling center at landfill area in hope of saving space at landfill and cutting some expenses by recycling.

Made an effort to eliminate safety hazard at Proctor Bridge by renovating for sidewalks. Original plan voted down at special town meeting. State will consider working on problem sometime in the future.

Made an effort to eliminate safety hazard of trucking on Rush Road. Asked for State assistance in rerouting traffic. No immediate solution was found since state would take no action.

Requested state forester to develop a survey of town owned property for considered timber management.

Reduced sewer rates on October billing.

Provided office space in Town Hall for CAP agency to facilitate requests for aid, fuel assistance and other programs.

Worked with police and Town & Gown committee to reduce parking problems in downtown area.

Unanimously supported a consent resolution for the development of elderly housing in the town of Henniker since a need was demonstrated. A controversy over the site has delayed action on this proposal.

Resurfaced Gulf Road and widened and paved another portion of Craney Hill Road.

Relocated a section of Bear Hill Road near the Morgan property.

FUTURE

To develop a program for sidewalk extension and improvement.

To extend the sewer system to the residents of Cressey St.

To continue to work on traffic problems on Rush Road and other congested areas. To continue to work on parking problems in downtown area.

To work with conservation committee on plans for replacing diseased and dead trees throughout the town.

To work with the industrial committee to locate site for an industrial park.

To work with the master plan committee to locate a site for town park and swimming area.

To make a comprehensive review of town regulations and ordinances, correcting inequities.

To have printed and made available amended copies of all town ordinances and regulations.

To establish administrative procedures to expedite the handling of town business.

To establish job descriptions for all town employees and review the employee handbook.

To broaden the base of town government by involving a larger number of its citizens.

STATE OF NEW HAMPSHIRE
TOWN WARRANT 1980
TOWN OF HENNIKER

To the Inhabitants of the Town of Henniker in the County of Merrimack in said State qualified to vote in Town Affairs: (LS)

You are hereby notified to meet at Cogswell High School Auditorium in Henniker on Tuesday the Eleventh Day of March, next, at ten of the clock in the morning to act upon the following:

1. To choose all necessary Town Officers for the Ensuing Year.

THE POLLS WILL BE OPEN FROM 10:00 A.M. TO 7:00 P.M.

As voted at Town Meeting March 7, 1962, you are hereby notified to meet at Cogswell High School Auditorium in said Henniker on Wednesday the twelfth day of March, next, at seven thirty of the clock in the evening to act upon the following:

2. To hear and act upon the report of Town Officers, Library Trustees, Trustees of Trust Funds and other Committees.

3. To raise and appropriate such sums of money as may be necessary to defray Town charges for the ensuing year.

4. To see what sum of money the Town will vote to raise and appropriate for the repair of highways and bridges and repair or purchase of machinery.

5. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Police Department.

6. To see what sum of money the Town will raise to replace a Police Cruiser.

7. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Fire Department.

8. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Henniker District Court.

9. To see what sum of money the Town will vote to raise and appropriate for State Aid Construction of Class V Roads.

10. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Sanitary Landfill.

11. To see what sum of money the Town will vote to raise and appropriate for sidewalk maintenance.

12. To see what sum of money the Town will vote to raise and appropriate for maintenance of the Rescue Squad.

13. To see what sum of money the Town will vote to raise and appropriate for the support of Tucker Free Library.

14. To see what sum of money the Town will vote to raise and appropriate for the Communications System.

15. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

16. To see what sum of money the Town will vote to raise and appropriate to support the Henniker Athletic and Recreation programs.

17. To see what sum of money the Town will vote to raise and appropriate to support the Henniker Youth Services.

18. To see what sum of money the Town will vote to raise and appropriate for the support of the Community Action Program.

19. To see what sum of money the Town will vote to raise and appropriate for continuing work on the Property Tax Map.

20. To see if the Town will vote to raise and appropriate the sum of \$66,000.00 (Sixty six thousand dollars and no cents) for the operating expenses of the Wastewater Treatment Plant. This sum to be funded by sewer assessments.

21. To see what sum of money the Town will vote to raise and appropriate for the replacement of the Highway Department Grader.

22. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations for the following priority purpose and in the amount indicated or take any other action hereon:

Appropriation:	Grader	Amount:	\$45,000.00
----------------	--------	---------	-------------

The balance of \$30,000.00 (Thirty thousand dollars and no cents) to be paid from the Heavy Equipment Fund.

23. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the state, federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95-b.

24. To see if the Town will authorize the Selectmen to engage certified public accountants to audit annually the town records and raise and appropriate a sum not to exceed \$3,000.00 (three thousand dollars and no cents).

25. To see if the Town would vote to purchase 25 (twenty-five) acres of land, part of Lot 517-B, for \$21,500.00 (twenty one thousand dollars and no cents) and to help finance by authorizing the

Selectmen to sell by sealed bid or public auction the following lots:

Lot 50 Hardy Lot
Lot 8 Carter Lot
Lot 16 Hat Davis Lot
Lot 578 Levi Connor Lot
Lot 129 Gammel Lot (2/3 interest)
Lot 293 Robertson Lot
Lot 708B Childs Clement Lot
Lot 482 Naughton Lot
Lot 352B Harold Ayer Lot
Lot 759 Etta Townes Lot

and in the Town fo Warner, Map 4 Lot 16.

26. To appropriate the sum of \$180,000.00 for the design and construction of water supply improvements for the Cogswell Spring Water Works of the Town of Henniker, consisting of well, pumping station and approximately 2,000 feet of connecting main, and other necessary appurtenances, including easements and rights in land; to authorize the Water Commissioners to hire an engineer; all such construction to be under the direction of the Water Commissioners; to raise the sum appropriated by borrowing the sum of \$90,000.00 on the credit of the Town of Henniker through the issuance of serial notes or bonds under the provisions of the Municipal Finance Act, such notes or bonds to be signed by the Selectmen, countersigned by the Town Treasurer and the town seal affixed; with the balance of the appropriation to be raised by the use of accumulated funds of the water department. The costs and repayment to be funded by Water rents. (By informal ballot vote with use of checklist - 2/3 majority required to adopt.)

By Request

27. To see if the Town will vote to raise and appropriate \$4,000.00 (four thousand dollars and no cents) to extend the sidewalk north on Rt. 114 (Maple Street) from lot 194C to the entrance to the shopping center (Lot 189.)

28. To see if the Town will vote to authorize and direct the Selectmen to grant a cable television franchise to CableVision Service Co., Inc, upon such lawful conditions as they may require, to erect, install and maintain in, under, or over street, highway, and other public ways of the Town, wires, cable, and other equipment related to the delivery or enhancement of television signals and other electrical impulses all in accordance with and as allowed by, New Hampshire RSA 53-c (Supp. 1977).

By Petition

29. To see what the Town will do to get the co-operation of the Contoocook Valley Paper Company in cleaning up the on-the-ground waste paper storage dump on the land opposite the mill building.

By Petition

30. To see if the Town of Henniker will vote to authorize the Selectmen to grant Margaret D. Daymond of Henniker a right-of-way over town property located on Craney Pond Road, which is a Grade 6 road to have legal access to her property which is now being taxed and considered accessible, and legally is not because the old road used for years is over another persons property and not properly recorded.
By Petition

31. To see if the Town will vote to authorize the prepayment of resident taxes and to authorize the tax collector to accept pre-payments as provided by RSA 80:1-a.

To see if the Town will vote to accept as a Town maintained road the .5 mile section of Cross Road which lies in the Town of Henniker and runs between Colleague Road and Old Warner Road.
By Petition

33. To transact any other business that may properly come before this meeting.

Dated this fifth day of February, 1980.

RECORD OF AFFIRMATIVE VOTES

AT ANNUAL TOWN MEETING 1979

Article 2 VOTED, that the town accept the reports of Town officers, Library Trustees, Trustees of Trust Funds and other Committees as printed in the Town Report and (as amended) that the Selectmen be directed in all future Town Reports to include another report, adjacent to the Selectmen's Report, to be entitled, "Past Happenings and Future Plans" wherein the Selectmen will discuss and comment on the major accomplishments during the previous year in Henniker and their perception about the townspeople's feelings on these matters and what they intend to do in the future.

Article 3 VOTED, that the town raise and appropriate the sum of \$108,855.16 (one hundred eight thousand eight hundred fifty five dollars and sixteen cents) to defray town charges for the ensuing year, divided as follows:

Town Officers Salaries	\$ 14,500.00
Town Officers Expenses	20,000.00
Election & Registration	1,000.00
Town Hall & Other Town Buildings	8,000.00
Planning & Zoning (Incl. \$300 Master Plan)	1,300.00
Insurance	26,500.00
Civil Defense	150.00
Conservation Commission	150.00
Street Lighting	9,000.00
Town Poor	1,000.00
Old Age Assistance	6,500.00
Memorial Day	800.00
Hydrant Rental	1,000.00
Damages & Legal Expenses	3,000.00
New Hampshire Municipal Association	474.16
Central N.H. Regional Planning Comm.	1,981.00
Interest (Tax Anticipation Notes)	7,000.00
Visiting Nurse Association	6,000.00
Dog Officer	500.00

and that the Town Officers be paid at the following rates: Auditors, Ballot Clerks, Fence Viewers, Health Officers, Selectmen, Supervisors of Checklist, Surveyors of Wood and Lumber, Moderator at \$4.00 per hour; Treasurer at \$1,000.00 per year, Tax Collector and Sewer Assessments Collector at an annual salary of \$6,000.00 and Town Clerk at \$1,500.00 per year; and that the funds appropriated for the Henniker Recreation Program be earmarked for the support of Summer Swimming Program, Henniker Community Basketball teams, Peeewe League Baseball Program and Henniker Town Team Basketball and that payments be made through the Selectmen of Henniker and by the Town Treasurer.

Article 4 VOTED, that the Town raise and appropriate the sum of \$114,395.22 (one hundred fourteen thousand three hundred ninety five dollars and twenty-two cents) for the repair of highways and bridges and repair or purchase of machinery; that \$22,686.36 (twenty two thousand six hundred eighty six dollars and thirty-six cents) come from the Highway Subsidy Fund, \$14,708.86 (fourteen thousand seven hundred eight dollars and eighty-six cents) come from the additional Highway Subsidy Fund and \$77,000.00 (seventy seven thousand dollars and no cents) be for highway expenses.

Article 5 VOTED, that the Town raise and appropriate the sum of \$71,500.00 (seventy one thousand five hundred dollars and no cents) for the maintenance of the Police Department.

Article 6 VOTED, that the Town raise and appropriate the sum of \$15,500.00 (fifteen thousand five hundred dollars and no cents) for the maintenance of the Fire Department.

Article 7 VOTED, that the Town raise and appropriate the sum of \$15,000.00 (fifteen thousand dollars and no cents) for the maintenance of Henniker District Court.

Article 8 VOTED, that the Town raise and appropriate the sum of \$1,662.17 (one thousand six hundred sixty two dollars and seventeen cents) for State Aid Construction of Class V roads.

Article 9 VOTED, that the Town raise and appropriate the sum of \$15,000.00 (fifteen thousand dollars and no cents) for maintenance of the Sanitary Landfill.

Article 10 VOTED, that the Town raise and appropriate the sum of \$1,500.00 (one thousand five hundred dollars and no cents) for Sidewalk Maintenance.

Article 11 VOTED, that the Town raise and appropriate the sum of \$3,000.00 (three thousand dollars and no cents) for the support of the Tucker Free Library for the ensuing year.

Article 12 VOTED, that the Town authorize the Selectmen to borrow money in anticipation of taxes.

Article 13 VOTED, that the Town raise and appropriate the sum of \$3,200.00 (three thousand two hundred dollars and no cents) for the support of the Henniker Athletic Program.

Article 14 VOTED, that the Town raise and appropriate \$2,000.00 (two thousand dollars and no cents) for the support of Henniker Youth Services.

Article 15 VOTED, that the Town raise and appropriate the sum of \$1,221.44 (one thousand two hundred twenty one dollars and forty-four cents) for the Community Action Program.

Article 16 VOTED, that the Town raise and appropriate the sum of \$4,000.00 (four thousand dollars and no cents) for the Heavy Equipment Capital Reserve Fund.

Article 17 VOTED, that the Town raise and appropriate the sum of \$2,000.00 (two thousand dollars and no cents) for the continuing work on the Tax Map.

Article 18 VOTED, that the Town raise and appropriate the sum of \$65,000.00 (sixty five thousand dollars and no cents) for the operating expenses of the Wastewater Treatment Plant. This sum to be funded by sewer assessments.

Article 19 VOTED, that the Town authorize the Selectmen to engage outside Public Accountants to audit the Town Records for 1979 (as amended) and raise and appropriate a sum not to exceed \$3,000.00 (three thousand dollars and no cents). The amendment also reads that the records be audited immediately after the accounts are closed, unless an earlier audit is required by law.

Article 20 VOTED, that the Town raise and appropriate the sum of \$75,000.00 (seventy five thousand dollars and no cents) for the purchase of a Fire Truck. This sum to come from the Revenue Sharing Funds.

Article 21 VOTED, that the Town authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 the sum of \$75,000.00 (seventy five thousand dollars and no cents) to be used as a set-off against the budget appropriation of Article 20. The committee to purchase the fire truck shall consist of 3 (three) fire engineers and the Chairman of the Selectmen.

Article 22 VOTED, that the Selectmen be authorized to accept on behalf of the Town the Stuart Davis Property.

Article 23 VOTED, that the Town raise and appropriate the sum of \$6,000.00 (six thousand dollars and no cents) for the purchase of a sidewalk tractor.

Article 24 VOTED, that the Town raise and appropriate the sum of \$18,000.00 (eighteen thousand dollars and no cents) for the printing of a Town History.

Article 25 VOTED, that the Town raise and appropriate the sum of \$5,000.00 (five thousand dollars and no cents) for replacement

of the Sewer Department pickup truck. This sum to be funded by sewer assessments.

Article 26 VOTED, that the Town appropriate the sum of seventy-five hundred dollars (\$7,500.00) from the accumulated income of the Edna Dean Proctor Fund to complete work on the Edna Dean Proctor room at the Tucker Free Library.

Article 29 VOTED, that the Town, by its Selectmen, execute and deliver to Richard and Sydney Morgan a Quitclaim Deed of a portion of Bear Hill Road as it passes through the Morgan property, in exchange for a Quitclaim Deed from Richard and Sydney Morgan of a new section of road to replace it, provided, however, that the new section of road be described and constructed in a location and to specifications satisfactory to the Selectmen, Road Agent, and the Morgans and at no cost to the Town.

Article 30 VOTED, that the Town authorize the Selectmen to apply for, accept and expend on behalf of the town any grants or other funds available for town purposes, including but not limited to Disaster Aid and Highway Funds which may now or hereafter be available from the United States Government, State of New Hampshire or any federal, state or private individual.

Article 31 through 38 VOTED to be referred to the Conservation Committee for study and report back at the 1980 Town Meeting.

Article 39 VOTED, that the Town raise and appropriate the sum of \$6,750.00 (six thousand seven hundred fifty dollars and no cents) for the maintenance of the Henniker Rescue Squad.

Article 40 VOTED, that the Town raise and appropriate the sum of \$4,550.00 (four thousand five hundred fifty dollars and no cents) for the purchase of 10 (ten) emergency mini monitors for alerting the personnel and a portable radio system for use on the ambulance.

Article 41 VOTED, that the Town raise and appropriate the sum of \$8,000.00 (eight thousand dollars and no cents) for the Rescue Squad, Capital Reserve, Ambulance Fund.

Article 42 VOTED that the Town accept the Quaker School as an historic site.

Article 43 VOTED that all new Town Roads have at least 2 (two) inches of hot compacted asphalt.

Voted that the Town Meeting vote to indicate to the Planning Board its desire to place a temporary moratorium on all major sub-

divisions until a master plan is accepted by the Town.

A true copy Attest: *Janet Murdough*
Town Clerk

SPECIAL TOWN MEETING MAY 8, 1979

Article 2: VOTED that the Town accept a street to be known as Stonehenge Drive when this street meets Town Specifications.

Article 3: VOTED that the Town elect the Members of the Planning Board.

Article 4: (A) VOTED that the Town vote a moratorium on all subdivisions of more than two (2) lots until such time as a Master Plan has been accepted by the Town, or until Town Meeting 1981, whichever is earlier, and that all parcels of land in Henniker in existence as of May 8, 1979 may be subdivided only once until such time as the moratorium is lifted.

(B) VOTED that the Town indicate a consensus on a moratorium on all building permits for large subdivisions, approved or unapproved, within the boundary of Henniker, until such time as a Master Plan has been accepted by the Town, or until Town Meeting 1981, whichever is earlier.

A true copy attest: *Janet Murdough*
Town Clerk

SPECIAL TOWN MEETING NOVEMBER 26, 1979

Article 1: VOTED that we revoke the consent that the Selectmen gave which authorizes the New Hampshire Housing Commission to sponsor a Section 8 Project in Henniker, and that the Selectmen are ordered to take all steps necessary to carry out the intent of this vote.

Article 3: VOTED that the Town accept a street to be known as Juniper Ridge Extension when it meets town specifications and (as amended) that this road be conditionally accepted for a period of one (1) year from the Town's approval, that within this period, the Town shall maintain the road and the developer shall continue to be responsible for unreasonable costs incurred by the Town to maintain the Town standards.

E. Benjamin Ayer
Treasurer

AUDITOR'S OPINION

March 20, 1979

LETTER OF TRANSMITTAL

Board of Selectmen
Town of Henniker
Henniker, New Hampshire 03242
Gentlemen:

We have examined the accounts and records of E. Benjamin Ayer, Town Treasurer for the period January 1, 1979 through March 13, 1979 and as a result submit the attached exhibits.

Our examination was made in accordance with generally accepted auditing standards applicable to cash transactions, and accordingly included such tests of the records as we considered necessary in the circumstances.

In our opinion, these summary exhibits present fairly the revenues collected and expenditures paid arising from cash transactions then ended on a basis consistent with that of the preceding year.

Very truly yours,
Killian, Plodzik & Sanderson

Public Service refund	8.68
Hook-up fees	3,100.00
TOTAL Received from Selectmen	8,108.68
Received from Closed Bank Accounts:	
Principal & interest Sewer Hook-up Acct.	\$ 25,146.52
Principle & interest Sewer Maintenance Acct.	2,779.92
TOTAL from Closed Accounts	\$ 27,926.44
TOTAL RECEIPTS	\$ 144,822.87
Total Payments	59,482.45
Balance on hand December 31, 1979	\$ 85,340.42

In 1979 the Selectmen and the Town Treasurer decided it was to the Town's advantage to close out the two accounts mentioned above. The Sewer Maintenance account funds were deposited di-

rectly into the Wastewater Treatment checking account to be used for current expenses. The Hook-up fee account funds were placed into a Certificate of Deposit. Upon the maturity of that Certificate in January of 1980 it is anticipated all or a portion of these funds will be put into the checking account to be used for operation expenses. By doing so, it is the hope of the Selectmen that the use of these funds will reduce your sewer bills in 1980 and possibly 1981.

Respectfully, *William J. McIver*
Treasurer

SUMMARY

Balance in Savings Accounts:	
Shawmut Sewer Account	\$ 6,054.74
Straw Fund 40%	7,979.50
Constantine Fund	159.02

AUDITOR'S OPINION

We have examined the financial statements of the various funds and groups of accounts of the Town of Henniker, New Hampshire for the year ended December 31, 1979, listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records as we considered necessary in the circumstances.

As is the practice with most New Hampshire communities, the Town of Henniker has not maintained a record of its general fixed assets and accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in these financial statements.

In addition, the Town has not capitalized the cost of property and equipment purchased by the Enterprise Funds (Sewer and Water Departments). Likewise, no depreciation expense is recorded on these funds. Generally accepted accounting principles require that property and equipment of enterprise funds be capitalized and depreciated over the useful lives of the assets. The Town's records do not permit the application of adequate procedures to enable us to determine the cost value of capital assets or related depreciation expense on them.

Because of the material effect of the omission of fixed assets and related depreciation on the financial position, we do not express an opinion on the financial statements of these Enterprise Funds.

In our opinion, the financial statements listed in the aforementioned table of contents, other than the financial statements of the Enterprise Funds (Sewer and Water Departments), present fairly the financial position of the various funds and groups of accounts of the Town of Henniker, New Hampshire at December 31, 1979, and the results of operations of such funds for the year then ended in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

The supplemental schedule included in this report, although not considered necessary for a fair presentation of the financial position and results of operations of such funds and group of accounts, are presented primarily for supplemental analysis purposes. This additional information has been subjected to the audit procedures applied in the aforementioned examination of the basic financial statements and is, in our opinion, fairly stated in all material respects in relation to the basic financial statements taken as a whole.

In connection with our examination we also (1) made a study and evaluation of the Town's system of internal accounting control, (2) performed tests of compliance with the Revenue Sharing Act and regulations as required by Sections II.C.3 and III.C.3 of the "Audit Guide and Standards for Revenue Sharing and Antirecession Fiscal Assistance Fund Recipients" (guide) issued by the Office of

Revenue Sharing, U.S. Department of Treasury and (3) compared the data on the Bureau of Census Form RS-9 to records of the Town of Henniker as required by Section II.C.4 of the "Guide".

Based on these procedures we noticed no instance of non-compliance with the regulations and no material differences between Census data on Form RS-9 and the records of the Town of Henniker for the year ended December 31, 1979.

February 4, 1980

Killion, Plodzik & Sanderson

The complete audit report may be reviewed at the Office of Selectmen.

PLANNING BOARD

PLANNING BOARD REPORT FOR THE YEAR 1979

We have come to the close of another year of activities for the Planning Board with the completion of 26 meetings.

We had the resignation of two members, James Connor and Joseph Grady. George Russell became a full member. Lois Brown and William McGraw were appointed as alternates. At present we have an opening for a full member and an alternate member. These vacancies will not be filled as the Board will change in March with the expiration of all of our terms with the Board changing to an elected Board, not an appointed Board.

In January and February, public hearings were held for proposed Zoning amendments to our Ordinance. These proposals were to change a residential property to commercial (portion of Edmunds Store), a petition from the Concerned Citizens Committee and a proposal by the Planning Board. All of the amendments failed to have a 2/3 majority vote needed for passage. We are presently working on amendments for the ballot at Town Meeting in March.

There have been subdivision and property line relocation approvals this year. The subdivisions are as follows.

1. Julia Davis, Cressy St. 2 lots.
2. Richard Aucoin, Baker Road, 2 lots.
3. Kenneth Dermon, Hemlock Corner, 2 lots.
4. Richard Currier, Shaker Hill, 2 lots.
5. For-Trucks, Concord Road, 5 lots.

Property Line Relocations are as follows:

1. For-Trucks, Concord Road with Henniker Redi-Mix and Bowlan Lumber Co.
2. Leo Sprague, Bear Hill with Sidney Morgan.
3. Stuart Davis, Western Ave. with Henniker School District and New England College.
4. Barry Patenaude, Rush Road with Patenaude Lumber Co.

A subdivision for North Branch Builders, Western Avenue was denied.

Recommended to the Selectmen for approval of a Mobile Homes permit were:

1. Dean Terrill, Craney Hill
2. Paul Whitman, Ray Road.

Pending subdivisions which have preliminary approval are as follows:

1. Mary Coutts, Cressy St.
2. Ronald Taylor, Davison Road.

We have met every fourth Wednesday with the Master Plan Committee. Their report follows:

The goals of the Master Plan Committee for 1979 were to complete the first two stages of the Plan, i.e.: to collate and distribute

information from the questionnaire; and to assemble in Inventory of existing land and services in Henniker.

The Master Plan Committee had 31 regular meetings in 1979. By Town Meeting in March, 1979, the tally of questionnaires was complete. Information was available describing the 405 responders' interest in having the town stay the same or experience slight growth. The majority expressed interest in an agricultural and rural character for the town. 301 people felt that the Planning Board should impose a temporary moratorium on major subdivisions.

Planning for the Inventory Phase was started in the spring, resulting in the formation of three special sub-committees: Natural Resources, Community Resources, and Municipal Services. Approximately 75 townspeople participated in meetings and worked hard to gather information about all the aspects of town land, history, activities, and services. This information is now available to the Master Plan Committee in report, chart and map form.

In addition to the basic work on the Master Plan, the following special programs were held:

1. Orientation for the Inventory Phase: Speaker, Robert Crouter, Chairman of the Amherst Planning Board, presented "The Sounding Board" a description of community planning in Amherst, N. H.
2. Town bus tour of Henniker's environmental and historical highlights. This tour was well attended by committee members and many interested townspeople.

As this report is written, work has started on the preliminary stages of the Implementation Phase. It is hoped that the Master Plan will be completed and available for Town Meeting 1981. The Master Plan Committee would like to give special thanks to the many dedicated volunteers who have spent so many hours during the past year on the Inventory work and related activities.

Henniker Master Plan Committee

Report continued:

The Planning Board would like to extend their THANKS to everyone who has assisted the Master Plan Committee and hope you will continue with your efforts.

Respectfully submitted,
Nina Morse
Secretary

RESCUE SQUAD REPORT

The Henniker Rescue Squad finished the decade with the celebration of its tenth anniversary. An open house was conducted with demonstrations and appreciation certificates being issued to many of the outstanding businesses and individuals who helped make that ten years a success.

The year found the squad turning to the town for appropriations to cover the operating costs. A tight economy and the decline in memorial donations forced this move along with the increased demand on members time to complete training requirements as opposed to fund raising activities. The town can be proud of our record — we are one of the first squads in the state to become trained in advanced emergency procedures. All full members are now certified in the advanced procedure and plans are now underway for the next advanced course.

1979 also found a leveling off of emergency medical calls with a total of 179 as opposed to 171 in 1978 and 152 in 1977. With new trends emerging and the towns growth an added dimension, the squad is beginning to develop long range plans to contend with present and future needs. The ambulance has been worked on including some modifications and a paint job to help extend its life. Plans are to replace the current unit in 1981.

Again, the squad would like to thank the community for its continued support.

David P. Currier
Chief

ZONING BOARD OF ADJUSTMENT

By Statute, the Board of Adjustment has powers to hear and decide appeals from Administrative Orders, to hear and decide special exceptions to the Zoning Ordinance, to authorize upon appeal variances from the Zoning Ordinance where certain special conditions exist.

During 1979 four hearings were held. They are listed with the action of the Board noted:

Case 20 Mrs. J. H. Davis, exception under Article III Section C.
Granted

Case 21 Peter and Richard Garre, interpretation under Article III,
Section A. Granted

Case 23 Realty Development Group, variance, Article IV, Section

E. Denied

Case 24 North Branch Builders, variance Article III, Section C.
Denied

Respectfully submitted,

Douglas B. Allen
Chairman

COMMUNITY ACTION ANNUAL REPORT

The Kearsarge Valley Community Action Program, located in the Old Graded School in Warner, serves eight towns in this part of Merrimack County: Bradford, Henniker, New London, Newbury, Sutton, Warner, Webster and Wilmot. Again this year Community Action has served your community by getting much needed services to the elderly and low-income families in each of the eight towns.

Services to the elderly include Meals-on-Wheels and the Senior Companion Program for shut-ins; Congregate Meal sites in Henniker, New London-Wilmot, and Warner; and the Rural Transportation bus that gets senior citizens into Concord. Our fuel assistance program last year reached 140 families in the eight towns and we expect to get this much needed help to more people during this year of soaring fuel prices. An Adult Education Grant was awarded to the center back in August and this January we began teaching some basic skills in the areas of parenting, family health, money management, and nutrition.

The money your town appropriates for Community Action goes to run the local center here in Warner. The budget of the Center goes for salaries, travel expenses, office supplies and cost of heat and upkeep of the Old Graded School. The federal government will provide most of the money for the 1980 budget. We have requested a total of \$10,800.00 of the \$32,000.00 to be provided by the eight towns. What we ask from each town is a percentage of the \$10,000.00 based on what percentage of the participants in our program are from your town.

Our program is designed to encourage community participation and involvement. If you would like to know more about our program and/or how you can get involved, please let us know.

Respectfully submitted,

Perry Cayes
Kearsarge Valley Area Director

CONCORD VISITING NURSE ASSOCIATION

Visits made during the year beginning October 1, 1978 to
September 30, 1979

Nursing		549 visits
Home Health Aide	466 $\frac{3}{4}$ hours	284 visits
Physical Therapist		26 visits
Homemaker		32 visits
Nutritionist		3 visits
Occupational Therapist		0 visits

The Concord Regional Visiting Nurse Association, Inc., continued to service Henniker for the sixth year. They have provided skilled nursing care for anyone sick in the home, especially those needing continuity of care after discharge from the hospital. They are available to give hypodermic injections, change surgical dressings, and do other treatments prescribed by the attending physician. When indicated, family members have been instructed to give care between the nurse's visits.

Special services; such as, physical therapy, speech therapy, occupational therapy, and nutritional guidance have been given the special staff and consultants in order to assist with the rehabilitation of an acute or chronic illness.

When family members are unable to supply all the needed care, a staff homemaker-home health aides are available to give physical care, do light housekeeping, and assist with meal planning and meal preparation.

The nurses are delighted to advise new and expectant mothers in the care of themselves and their babies. They are also glad to work with families and individuals on normal nutrition, sickness, and accident prevention.

Anyone in Henniker may request these services - doctor, family, pastor, friend, or the patient himself. Patients are also referred by clinics and other agencies. All calls are answered, but continuing care can be provided only under a doctor's orders.

A call to the Concord Regional Visiting Nurse Association, Inc., (224-4093) between the hours of 8 a.m. and 10:30 p.m., seven days a week is all that is necessary to start services or make inquiries. Fees may be scaled to those unable to pay the entire amount.

Sincerely,

Lutie K. Piper,
Executive Director

WAGE COMMITTEE REPORT

The Wage Committee met on December 10th, 1979 to discuss the review and development of a salary schedule for full time Town employees other than the Police Department and recommend the following:

1. that, the Town adopt the State of New Hampshire Salary Code Key for the following positions:

a. Salary Code Key - Basic 37½ Hour Work Week
Selectmen's Office

Clerk/Assistant - Labor Grade Nine

b. Salary Code Key - 40 Hour Work Week

Highway Department

Superintendent - Labor Grade Nineteen

Highway Maintainer - Labor Grade Ten

Highway Maintainer - Labor Grade Ten

Highway Maintainer - Labor Grade Ten

Sewer Treatment Department

Superintendent - Labor Grade Nineteen

Treatment Plant Maintainer - Labor Grade Ten

2. that, the formula for raises will be that set forth by the annual rate set by the New Hampshire State Legislature.

3. that, step increases from minimum to maximum will be as set forth by the Department of Personnel, State of New Hampshire with the exception that each increase must hold the recommendation of the Department Head before it is effected.

David P. Currier

Chairman

Arthur Hadley, Jr.

William J. McIver

Richard French

Charles E. Damour

The committee further recommends the following personnel at the labor grade and step indicated below for the beginning of this salary schedule and that the effective date be 1 January 1980.

CONSERVATION COMMISSION

The Conservation Committee has been working with the Planning Board and the Master Plan Committee in developing the various maps of Henniker's natural resources. These valuable maps and the other information are crucial to Henniker's future.

We also have some recommendations concerning various parcels of land owned by the Town:

LOT 50 (Hardy Lot): Could be sold with a restriction in the deed that it can be subdivided only with the approval of the voters at Town Meeting.

LOT 48 (Preston Lot): Same as above.

LOT 660XX (Lawson Smith): This lot should be retained by the Town because of its proximity to the Cascades. A Timber Management Program is recommended.

LOT 8 (Carter Lot): Should be sold.

LOT 16 (Hat Davis): Should be sold

LOT 57-8 (Levi Connor): Could be sold with two restrictions.

1.) Property line adjustment with the Town road, 2.) Access to property be allowed only from the Gulf Road end of the property.

LOT 658 (Arthur Hall): This property should be kept and put under a Timber Management Program. The Selectmen should have the option for granting a Right of Way if requested.

LOT 402 (Childs Lot): This tiny lot should be kept. Its most probable private use is a location for billboards.

LOT 129 (Gammel Lot): The Town should resolve its 2/3 interest in this lot by buying the remainder or selling its part.

LOT 293 (Robertson): This tiny lot should be sold as it may be valuable to an abutter.

LOT 708B (Childs Clement): This lot could be sold if the revenue is judged to be worthy, or could be kept under a Timber Management Program.

LOT 483 (Naughton Lot): This lot should be kept for future Town use.

LOT 352-B (Harold Ayer Lot): This small lot should be sold with restriction against any signs.

If the Town decides to sell any of these lots, the bids should be carefully reviewed to insure that the Town receives a fair price for each parcel. We recommend that the Selectmen shall be authorized to transact these matters.

Revenues from the sale of the land or income from lumber operations can be used in a number of ways. Our recommendations are as follows:

1.) Specific funding of specific projects as outlined in the forthcoming Master Plan.

OR

- 2.) Funding for a Henniker Swimming/Recreation area.

OR

- 3.) Purchase of land as recommended by the Selectmen and/or Planning Board.

Through proper Land and Timber Management and proper utilization of funds from the sale of some parcels, Henniker can have a valuable, continuing program that will benefit the whole Town. The Conservation Committee looks forward to developing and implementing this program.

Edward Hatlack

Thomas Heavey

Spencer Bennett

Conservation Commission

CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

The Central New Hampshire Regional Planning Commission has been in existence since 1970 and during this period has continued its involvement in studies of both a regional as well as a local nature. The Commission acts as an advisory body to its member municipalities and as such is often invited to participate in local planning projects. As a part of the ongoing technical assistance provided, the Commission has been pleased to be able to assist the Planning Board in the following areas: state law interpretation, research into existing court cases, local ordinance review as well as providing advice to the Planning Board and Master Plan Committee regarding the development of a Master Plan.

The Commission, this past year, hosted seminars on capital improvements programming and the fall legal seminar series. Again the Commission was pleased to see representatives from Henniker present.

The Commission hopes to be able to continue to serve the needs of its member municipalities in the future and appreciates the past support of its activities by the Town of Henniker.

Respectfully submitted,

Lois Brown

Nina C. Morse

Henniker Representatives to the Commission

HENNIKER PARK BOARD

FOR THE YEAR ENDING DECEMBER 31, 1979

Complying with the vote of the 1978 Town Meeting the Court was petitioned to combine the Leander A. Cogswell Azalea Park Fund and D. W. and E. L. Cogswell General Park Fund.

The petition was granted by the Superior Court stating that the above named funds shall be combined and known as The Cogswell Park Fund.

COMMUNICATIONS/DISPATCH REPORT

With the current dispatch and communications system being discontinued by Continental Telephone Company, the towns of Hillsboro, Henniker, Antrim, Bennington, Deering, Washington and Windsor got together to form and operate The Central Emergency Answering Service and Dispatch System, a 24-hour, 365-day emergency answering and dispatch service for the police, fire, rescue and other services maintained by the Towns. An agreement was established and signed by the Towns pursuant to and under the provisions of New Hampshire RSA Chapter 53-A, Sections 1, et. seq. (1977 Supp.) An Emergency Communications Board comprised of seven members, one from each participating Town was appointed by the Boards of Selectmen. This board will be responsible for policy dealing with personnel, budget, administrative decisions and operations of the system. Annual operating cost will be shared on a percentage of use basis. The Town of Henniker for the first operational year will be responsible for 27% of the cost. This first year will begin June 1, 1980 with the cost being \$9,500. A copy of the agreement and the detailed budget figures are on file at the Selectman's office. The system will be off setting operating cost by providing other services to the community such as alarm and answering services.

David P. Currier
Emergency Communications Board
Henniker Member

TRUSTEES OF THE TUCKER FREE LIBRARY

Because there was some discussion at last year's Town Meeting about the source and spending of the Tucker Free Library's income, a brief explanation may be useful.

A major portion of the Library's money comes from Trust Funds set up for its benefit through the years, and a large portion of THIS money is paid us at the end of the calendar year. Our annual financial report, as printed in the Town Report thus shows an amount under Balance, Jan. 1, 1980 which is not money left over from last year, but money to be used in the coming year.

Our biggest project for 1979 was the completion and opening of the new Proctor Room for children in the middle age group with Betty Holland as Librarian. Money for the construction of the room came to us from the Proctor Family Trust Fund through a vote of the Town, but much of the equipment was paid for from our general funds. The addition of the room to our facilities met a real need, as it freed the Hollis Children's Room for our younger readers and relieved a congestion of books in the stack space. Parents and teachers tell us that use of the Proctor Room is improving the reading habits of the youngsters who use it.

One of the things that makes the work of the Library so pleasant is that we are given so much help by the people of Henniker. Before Betty Holland took the position of Librarian of the Proctor Room, for example, she had donated eight hours of work each week for several months.

Ken Dermon made the new record cabinet in the Hollis Room for us, and Roy Gilbert made the snow guards for the shrubbery on the front lawn. June Woollett gave many hours of work this year, and a group of volunteers spent an evening moving books from upstairs to the Proctor Room.

The Friends of the Tucker Free Library cleaned and organized the basement Book Room before their annual Book, Food and Plant sale, which was very successful; were in charge of the summer program for young readers; and made a number of useful gifts to the Library.

Our new copier is of help to us and to our patrons and our newly installed storm windows are helping with costs of heating.

One of the important activities that has gone on in the Library this year was work on the new History of Henniker, which was centered in the two Brigham Archives Rooms. Under the direction of Marion Chase and Willa Brigham, a group of volunteers has organized and catalogued town records and historical materials from which much of the information in the History has been taken.

A project we would like to undertake as soon as possible is a program of re-painting the upstairs of the Library, one room each

year. This has not been done for a long time, and is sorely needed. Since, like everyone else, we are feeling the effects of inflation, this may go rather slowly.

We would like to express our gratitude to our Librarians, Helene Dermon, Peggy Ward and Betty Holland for all of the extra time and work they give us, to Hattie Barton for keeping the interior of the library so clean and spotless, to the Friends of the Library, and to all of those individuals who do so much every year to help us be of more service to you.

Respectfully submitted,

The Trustees
Tucker Free Library

TUCKER FREE LIBRARY

You'll have to excuse us if we sound like we're bragging, but our new addition, The Edna Dean Proctor Room, turned out just lovely. Ask your youngsters who use it; better still, come see for yourself. On Nov. 11th, we recruited husbands, friends, patrons and children and moved all the books downstairs in bucket brigade fashion. We opened officially on Nov. 13th with Cindy Marsland and Carol Rosenbleeth reading poetry to the various classes.

During National Library Week in April Effner Tudor Holmes read her books to over 100 children from the Nursery, Kindergarten, Readiness and 1st grade children. For the older children, Grades 2-6, Pamela Grob demonstrated spinning of wool.

In June, Norman Gauthier gave a lecture, accompanied by slides, about Haunted houses and Psychic phenomena which was sponsored by the Friends of the Library. Our new copy machine came in June and everyone is welcomed to use it. Also we received a gift of a grandfather clock from Mrs. Rosie Robinson.

July and August were busy months for the Friends with the Reading program and Story hour led by Mrs. Darby McGraw and her volunteers. The Friends and the Henniker Woman's Assoc. sponsored a slide presentation of a climb to Mt. Everest given by Dean Morrison, Jr. The annual book, bake and plant sale was a success in Nov. and they plan to buy some things for the new room.

Betty Holland joined us during the summer as a valunteer and now is part of the permanent staff. Hattie Burton is our housekeeper and we appreciate and welcome their good work.

Our thanks to all who gave gifts of books, magazines and paperbacks. We could use more jig-saw puzzles, especially for children.

Respectfully submitted,

Helene Derron

Peggy Ward

DOG OFFICER'S REPORT

On September 4th I was appointed Dog Officer of the Town of Henniker. Basically my duties are to pick up and impound any dogs running at large in Henniker.

When a dog is picked up, the owner is notified within a reasonable length of time if such can be determined. If the owner can not be reached, the dog is then impounded. After 7 days, if the owner can not be determined, the dog is then put to sleep.

For an owner to reclaim a dog, he or she must pay the Town of Henniker \$10.00 plus \$3.00 a day impoundment fees. A summons to court may also be issued for violation of the Town Ordinance pertaining to Dogs Running at Large. A copy of this ordinance can be obtained at the Selectmen's Office.

I can be reached to handle any Dog problems by calling the Henniker Police Department.

State of New Hampshire
HENNIKER SCHOOL DISTRICT
SCHOOL WARRANT

To the inhabitants of the School District in the Town of Henniker qualified to vote in district affairs:

You are hereby notified to meet at the Cogswell School Auditorium on the eleventh day of March 1980 at 8:00 o'clock in the evening to act upon the following subjects:

1. To hear the reports of agents, auditors, committees and officers chosen or to take any action relating thereto.

2. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of statutory obligations of the District; or take any other action in relation thereto.

3. To see what sum of money the district will vote to raise and appropriate for the provision of temporary classroom space including expenditures for portable classrooms/building renovations, rental fees, utilities, teachers and aides salaries, furniture, supplies, equipment and other related items; as may be required or take any other action in relation thereto.

4. To see if the district will vote to authorize the School Board to withdraw and expend \$10,000 and accumulated income from the Capital Reserve Fund for the purpose of hiring consultants, commissioning architectural studies, printing related reports, acquisition of land options, legal fees and other related items, or any other action in relation thereto.

5. To see if the district will vote to raise and appropriate the sum of \$30,000 to be added to the Capital Reserve Fund for the purpose of future building and site development, related architectural and engineering studies, site options, attorney's fees, printing expenses and other associated items, or take any other action in relation thereto.

6. To see if the District will vote to create a Cooperative School District Planning Committee with the Weare School District for the planning of a High School Cooperative School District. Said Committee to be appointed by the Moderator and to consist of three qualified voters, of whom at least one shall be a member of the School Board, or to take any other action in relation thereto.

7. To see what sum of money the District will vote to raise and appropriate for the purchase and installation of a hydraulic lift for handicapped students in the Elementary School, or take any

other action relating thereto.

8. To see what sum of money the district will vote to raise and appropriate for the purchase and installation of a dust collecting system for the High School Industrial Arts area, or take any other action in relation thereto.

9. To see if the District will vote to authorize the School Board to make application for, and accept on behalf of the District any and all grants for educational purposes which may now or hereafter be forthcoming from the U.S. Government, from the State of New Hampshire or from any other source and to appropriate such funds received, for the purposes set forth to such application; or to take any other action in relation thereto.

10. To see if the District will vote to change the title of the office of Financial Coordinator for the School Administrative Unit No. 24 to Business Administrator, School Administrative Unit No. 24. Further to ratify the appointment of David Hill as Business Administrator with the authority to perform the functions of the office in accordance with the laws of New Hampshire, or take any other action in relation thereto.

11. To choose agents and committees in relation to any subject in this warrant.

12. To transact any other business that may legally come before said meeting.

Given under our hands this 19th day of February 1980 at said Henniker.

Ronald Taylor
Joseph Grady
Laurie Grob
Barbara Russell

NOTE

Due to the very detailed nature of the newly required N. H. State financial accounting system, the budget is submitted to you in a different format from past years. In order to provide financial figures for past year (which were organized into different accounts from the new system) it has been necessary to make some judgments as to account placement. However, all actual expenditures have been accounted for. Since the old State accounting system remained basically unchanged for many years, we have hopes that the new budget organization will also have a long life, making it easier for all involved. We thank you, in advance, for your understanding.

REPORT OF THE SCHOOL BOARD

On behalf of the Henniker School Board, I wish to take this opportunity to report to you folks the highlights of the District's past year's endeavors and accomplishments.

Last year I reported that the volume of Board work had increased to a point where we decided to have a regular meeting twice a month, well, last year we were on vacation compared to this year! I'd like again to take this opportunity to show great appreciation for the tireless efforts of the School Administrative Unit staff, the entire staff of our School System, the many citizen groups on various District Committees and the support of you folks the citizens of Henniker. I only ask the continuing support of all concerned in helping us guide the District responsibly through the next few years of apparent growth.

For your information the highlights of the past year's work are listed below.

Increased School Population

A few years ago there were indications the school population was on the increase. There is no doubt now as we are bulging at the seams in the Elementary School with no sign of relief in sight. This has presented two problems to solve:

- (1) Short term solution for the Elementary School overcrowding and later on a
- (2) Long term solution for both Elementary and High School.

There are other reports contained with this Town Report detailing population growth and options for solving the growth problems. At this point in time, the Board sees one viable and responsible solution to:

- (1) Do minimum renovations to two publicly owned rooms to take care of the immediate elementary overcrowding. (The Board is presently negotiating with the Grange and Library Trustees for the useage of two rooms.) To this end the Board will ask for an appropriation under a separate Warrant Article to provide adequate classroom space for 1980-81.
- (2) Construct a 4-6 room addition in 1981-82 on top of the south east High School classrooms to take further Elementary School overcrowding which is coming.
- (3) Convert the present Jr. High/High School into an Elementary and provide another facility for the High School students. There are several options being studied to this end. At this point in time the Board leans toward building a new High School in Henniker for many reasons,

however no binding decisions whatsoever have been made to date. The Board will ask for an appropriation for further consultant studies to firm up viable solutions with related costs. The Board further is planning an extensive Publicity Campaign so that everyone will have *all the facts* to make responsible decisions at future District Meetings. There will be Public Hearings, News Releases, Fact Sheets, Consultant Reports from which the Town may draw its information. And, of course, the Board invites all members of the public to all our meetings. I cannot over emphasize the importance of the Town's *early* input. We want what the Town wants, therefore, your guidance is a must. During the past three or four years the Board feels we have heard the sense of the community and have responded effectively and will continue to do so.

At the March District Meeting the Board is going to ask for a consensus vote as to the Town's desire to actively pursue a High School Cooperative arrangement with the Town of Weare. Please give this subject some intensive thought as we need all sides of the question discussed thoroughly before and at the March Meeting to make future recommendations to the Town.

Administrative Changes

Early in 1979 Mr. "Bob" Scully, then Principal, indicated that he was resigning his position after 19 years of faithful service in the Henniker School District. At that point the Board felt that expansion of the Administration was a must in view of the increasing work load placed on the Principal of K-12.

Four months of searching, interviewing and discussion resulted in securing Mr. "Larry" George as Principal who has shown a tireless effort in addressing the myriad of charges given to him; Mrs. "Mary" Francoeur as Administrative Assistant who, as always, is tackling a heavy load of Administrative details; Mr. "Tom" Moore as Guidance Counselor, a new position to the District which has contributed greatly to our program. For those of you who attended last year's graduation exercises you will remember Tom for his tender tribute to retiring staff members. And finally, Mrs. "Eve" Gearing as School Secretary. The Board recognizes the staff's outstanding efforts to date and encourages their continuance.

There have been several teaching staff changes which have further strengthened our program. To date, the Board feels that the teaching staff is providing a stronger program than ever before.

Particular recognition is given to the staff of grades K-6 as a result of a visitation to the School by Mr. John G. Economopoulos, Assistant Chief, N.H. Department of Education on November 14, 1979. Many of you may remember Mr. Economopoulos as Henniker's Principal 1952 - 1954. I, a student then, particularly remember

his office well! His report to the School Administrative Unit in part states,

"Congratulations to you, the staff, administration, local School Board (and past Boards), children, parents and community. For the commitment every person has made to help make the Henniker Elementary School an Approved Elementary School, Category I for the school year 1979-80. An approved school means a school which meets all of the provisions of the minimum standards adopted by the New Hampshire State Board of Education on June 11, 1979. . ."

"As you know, and it was very evident during my visitation that the respective classrooms in the school were crowded."

Under Recommendations:

- "1. It is recommended that you and the local School Board immediately request that the N.H. State Fire Marshall and the Henniker Fire Chief cooperatively visit the Henniker Elementary School, and assure the parents and community that the school is safe for occupancy and meets the safety standards."
- "2. That the total Community reexamine and restudy the space needs of the children and provide a viable solution to the crowded conditions."

Good show folks! Keep it up.

School Building Maintenance

Once again credit is certainly due to Mr. "Charlie" Reade and his staff for the extensive routine maintenance of the buildings' interior. The summer's painting included the main hallways of the High School as well as other rooms.

Frabar Aluminum Products of Weare won the bid to install storm windows on the High School's main building and gym. They were completed during the summer. It is expected that they will pay for themselves within 5-7 years. With the fuel oil price situation gone berzerk the pay back time could be considerably less!

Northern Heating & Plumbing of Laconia was contracted to provide hot water heat in the southeast basement room in the Elementary School. The room now has adequate heat and the heat in the rest of the building can be controlled more easily and evenly.

The major maintenance undertaking was the renovation of the High School heating system. The renovations were aimed towards efficiency and reliability. Mr. Robert Burnham of Goffstown was contracted to make a complete study of the entire heating system and provide recommendations for renovations. The following major items have been completed:

- (1) The gym and library have been put on a separate thermostatically controlled zone.

- (2) All radiators requiring individual control have been fitted with automatic thermostatic valves which react to room temperature.
- (3) A seven-day time clock for thermostatic control of all zones, to include night and weekend setback, has been installed.
- (4) Extensive burner and related furnace repairs have been made plus miscellaneous other work.
At this point the Board is not recommending the complete replacement of the boiler and burner unit in view of the success of the renovations. Additionally, since a potential for a building addition to the High School exists, it would be logical to replace the Unit with a properly sized one at that time.

New steel doors have been installed on the NE entrance and SW Gym exit. Expensive but sorely needed.

Curriculum

Following the recommendations of the Curriculum Committee a formal science program has been incorporated in the Elementary grades 1-6.

Accountability

Last year I indicated that the District had begun work on a State mandated plan which would "...clearly describe our intended outcomes for students, develop a system for monitoring their progress toward achievement of these outcomes, institute a process for reporting that progress to the people of our respective communities, and formulate management plans which are consistent with assessment results and will promote improved student performance."

To date, the Accountability Planning Committee comprised of 1 School Board Member, 2 parents, 2 Elementary teachers, 4 Jr. High/High School teachers and the District Principal has been formed. The Accountability Pre-Plan has been submitted and accepted. Essential student outcomes have been developed. Present task is the formulation of performance indicators (used in measuring outcomes).

The implementation of the Accountability Plan is required by June 1981, much work, therefore, remains.

Special Education

The new Special Education facilities are housed in the Hillsboro-Deering School. The staff now includes two full-time school psychologists and two full-time speech therapists.

School Administrative Unit Computer

An NCR Computer is now operational in the School Administrative Unit #24 office. This change was made, in part, to comply

with the July 1980 deadline for the Accounting Format "Handbook II-R". The most immediate results of the change are: Better budgetary control, greater efficiency and use of SAU personnel, ease of budget operations and a total audit record of expenditures and revenues for District monies. Not meaning to poke any fun at "Progress" but some of you previous School Board Members remember the District's complete financial picture on one or two pages. Well, with the new State mandated accounting format our financial picture is on a mere 201 pages of computer printout with 7,001 entries - try absorbing that! And if that isn't enough there is 901 pages of the 1980-81 Budget! Newspapers used to account for the largest percentage of paper consumed - the computers now must be a close second (excuse the editorializing)!

There are several other subjects worthy of mention such as the reorganized Athletic Program which must be obvious to any of you attending the games; the computer located in the High School for student use; etc. But if any of you have gotten this far you've had enough.

On behalf of the Board I ask for your continuing support, help and ideas.

Respectfully submitted

J. I. Grady, Secretary

February 6, 1980

COMMITTEE REPORTS

Three study committees were assigned tasks during 1979-80.

The Short Term Planning Committee analysed Henniker's population and classroom space for the start of the 1979-80 school year.

The Facilities Study Committee documented options open to the District based on present population, facilities and State codes.

The Building Site Committee searched for land suitable for a potential school building program, in the future.

The results of the committees' findings are summarized or presented in conclusion as follows:

THE SHORT TERM PLANNING COMMITTEE

September 18, 1979

Members: Mrs. R. Blair, Mrs. J. Bennett, Mr. L. Grob (School Board), Mr. T. Heavey, Mr. R. Stanley (Chairman)

The Committee report is summarized.

New house completions and population trends were projected for the end of the year 1979. Based on these trends the Committee concluded "that the School District is not likely to face an overcrowding problem this September ('79)".

The Committee cautioned that their projection was based on students enrolling on a fairly even spread, and not "lumping" on one or two grades.

As a contingency measure temporary classroom space was recommended in order of preference, as follows:

1. The Tucker Free Library (the new Children's Room)
2. The Grange
3. Rental of a portable classroom
4. College classroom

School Board Comments:

Actual September enrollments precipitated an overcrowding in the second grade.

The School Board has sought additional temporary space. The Trustees of the Library have made available another room within the Library, but this requires renovations costs. The use of the Grange room requires sharing this space. Arrangements are in process to try and work out a suitable dual use of this room.

THE FACILITY STUDY COMMITTEE

January 1980

Members: Mr. D. Allen, Mr. W. Ryan, Mr. G. Sanborn, Mr. L. Grob (School Board), Mrs. S. Dobbins, Mrs. C. Patenaude, Mrs. C. Sullivan

The report is presented as summarized by the Committee.

Statistics gathered from resources available to the School Committee and Facilities Study Committee indicate that population impacts in the Town of Henniker will continue to occur for the next several years. In order to prepare for this impact, there is an urgency to make a commitment to be prepared for this growth in the school system. At the same time the Town should consider updating existing school facilities to current educational and safety standards.

Specifically, it is clear that the impact has already affected the elementary school level and we must cope with space problems immediately. It has been determined that the following areas require attention:

1. Additional classroom space for kindergarten by Fall of 1980.
2. Additional classroom space for elementary school by Fall of 1980.
3. A study of classroom spaces and facilities in the junior and

senior high school by 1982.

4. Assessment of improvements necessary to comply with architectural barrier codes.
5. An immediate assessment of improvements required at all schools to meet current efficiency requirements.

This Committee recommends that a new school facility be constructed to permit termination of use of the present elementary school building. Among the broad range of options identified in *A Report on the Physical Facilities*, viable options appear to this Committee to be:

1. Build a new elementary school (K-6)
2. Build a new Henniker High School (7-12); move K-6 to Cogswell Memorial School
3. Build a new high school (7-12) in conjunction with other communities; move Henniker Elementary School to Cogswell Memorial School

It should be noted that there are other options which may merit further consideration, upon additional investigation.

Funds for this study should be provided. It is estimated that \$8,000 will be sufficient to study options 1 and 2 for the District to consider as soon as possible. It is this Committee's understanding that the study of option #3 is currently underway by the Henniker School Board.

Respectfully submitted,
Facilities Study Committee

SITE SELECTION COMMITTEE

The Henniker School Board, on May 1, 1979, appointed a Building Site Committee for the purpose of recommending a site (or sites) for a potential future school building program. The Committee consisting of Fred Brunnhoelzl III, John Durr, Merle Patenaude and Ron Taylor (School Board Chairman) conducted an extensive study of sites that might be useable for any future building program. State Department of Education regulations were reviewed, sites were viewed, a list of 20 criteria was prepared for judging potential sites. After a lengthy review process four prime sites were evaluated and recommended to the Board for consideration.

The School Board is currently attempting to obtain an option on at least one of these sites. As soon as negotiations have been concluded it is the Board's intention to make specific formal recommendations to the town for possible future site acquisition.

Respectfully submitted,
Building Site Committee

SCHOOL CLERK'S REPORT OF MEETING

MARCH 13, 1979

The following Articles were voted in the affirmative:

- I. VOTED to accept the reports of Agents, Auditors, Committees and Officers as printed in the Annual Report.
- III. VOTED to raise and appropriate the sum of \$699,011 for the support of schools, for payment of salaries of school district officials and agents, and for the payment of the statutory obligations of the District.
- IV. VOTED to raise and appropriate the sum of \$1,000.00 as a contingency fund.
- V. VOTED to raise and appropriate the sum of \$5,075.00 to defray the cost of installation of 89 combination windows in the old section of the High School.
- VI. VOTED that \$18,000.00 of Cogswell Memorial Trust Funds be applied to the hiring of a professional consultant-contractor to provide a complete evaluation of the High School heating system with possible replacement of the old system.
- VII. VOTED to raise and appropriate the sum of \$1,500.00 for School Board expenditures for Consultant fees and other charges related to the study of the future physical facilities requirements of the District.
- VIII. VOTED to raise and appropriate the sum of \$10,000.00 to be put in a Capital Reserve Fund for the purpose of future building and site development.
- IX. VOTED to authorize the School Board to make application for, and accept on behalf of the District any and all grants for educational purposes which may now or hereafter be forthcoming from the United States Government, from the State of New Hampshire or from any other source and to appropriate such funds received, for the purposes set forth to such application.
- V. VOTED that the District extend a vote of thanks to Mr. Stuart Davis for his generous gift to the town, for school purposes, the land adjacent to the playground.

Respectfully submitted,
Christine H. Sweet
School District Clerk

PRINCIPAL'S REPORT

The purpose of this report is to provide useful information to the citizens and taxpayers of Henniker on their schools. In order for any school to carry out its programs effectively, it needs the support and cooperation of the students, parents and community at large. I have been pleased with the amount of support and cooperation I have received in my short time in Henniker.

I am happy to report that our elementary school has been placed in category I by the State Department of Education. That means that we have met all of the State's minimum standards. It also is a reflection of the commitment of the community to provide an excellent elementary program. One of the reasons for our placement in category I was the hiring of a guidance counselor. The difference this has made to many of our students is immeasurable. Having the option of talking things over with someone can help to provide the ability to handle the stress filled situations common in life.

I have set a number of goals for our present school year. One of my major goals is to improve the discipline in the schools. I am committed to running a school where the rules are known, understood, and fairly and consistently enforced. My hope is that students will begin to develop self discipline within that framework.

Another goal I have is in the area of teacher supervision and evaluation. I have met with staff members formally and informally to discuss my expectations of them. I will be monitoring their progress on a regular basis with the planned outcome being improved instruction and improved teacher effectiveness.

My unique role of being a principal of kindergarten through grade twelve gives me the opportunity to coordinate curriculum and put together a program to meet the needs of students. I am pleased that a science program has begun in the elementary school. We have begun to look at our social studies program and have plans to put together a more systematic curriculum in that area. The staff and I will be evaluating all of our educational offerings and making those changes necessary to provide for our students' needs.

Work on our Accountability Plan is progressing. By the time you read this we will have gotten community response to our essential student outcomes. The next step is developing performance indicators and then the evaluation process will begin.

One of my major concerns is the overcrowding of the elementary school. We are presently using all available space. Census projections point to ever increasing numbers both in the elementary school and in the high school. I would like to continue to be able to offer the types of programs that best meet the needs of all of our students. As the schools become more and more overcrowded that becomes difficult, and children will begin to suffer.

I am excited about the educational prospects in Henniker. I feel that we have a lot to offer that isn't available in large systems, and I will be trying to make our size work to our advantage in meeting the individual needs of our students. I am grateful for the support I have received from the Superintendent and School Board. I also appreciate the support of the community as we try to make the schools of Henniker the best they can possibly be.

Respectfully submitted,

Larry A. George

SUPERINTENDENT'S ANNUAL MESSAGE

To the Citizens of the Henniker School District

1979-7980 has been a year of continued accomplishment and challenge. One of the major accomplishments has been the news that Henniker Elementary School has achieved the distinct accomplishment of meeting all the State Minimum Standards. Members of the current and past school boards deserve commendation for their leadership; as do the taxpayers who have supported needed improvements.

I feel that the elementary program, with its kindergarten, readiness program, teacher aides, individualization language arts and mathematics programs and a new science program is one of the best available. Considerable credit goes to the elementary school teachers whose professionalism and dedication is outstanding.

A significant effort has been made under the capable leadership of new Headmaster, Larry George, to provide a disciplined school environment. Mr. George has also instituted curriculum study work in the High School aimed at improving programs at the 7-12 level. Our teacher recruitment efforts this year were highly successful, bringing to the High School several experienced and highly competent teachers, whose excellence has already been noticed. The re-organization of the Athletic Department, the addition of School Guidance Services and an Administrative Assistant have also been important developments, of benefit to the system.

I believe that School Board/Administrative leadership and actions taken over the past three years are now showing visible and positive results.

The largest challenge facing the schools is the current overcrowding in the elementary school. With school census figures showing a continued trend of increased student enrollments for the future, it appears that the problems will continue and will expand into the High School within the next 12 to 15 months.

The Board, its citizen study committees and the Administrative staff have been engaged in continued studies of various alternative solutions. It is expected that recommendations will be made to the public that will address this pressing problem.

As Superintendent of Schools, my continuing goal is to see that the best possible staff and programs are available to meet the needs of our children. I believe that much has been accomplished to further these goals in the last year and assure you that your support has been greatly appreciated.

Submitted by,

Thomas J. Watman
